PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

This position requires sitting (6-8 hrs), standing/walking (1-2hrs) and constant use of the hands and fingers for typing/keyboarding. This position may experience occasional stooping, crouching, bending, pushing, pulling, twisting, squatting, and climbing, reaching and grasping movements. Defined Medium Work - May require exerting up to 50 pounds of force occasionally, and/or up to 30 pounds of force frequently, and/or up to 10 pounds of force constantly to move objects. Close visual acuity required to perform activity such as thoroughness of work completed and to make general observations of facilities or structures such as during inspections.

WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Activities are performed both indoors and outdoors in varying environmental conditions. The noise level in the work environment is moderate.

This job description is intended to describe the general nature and level of the work being performed by the person in this position. Principal duties and responsibilities are intended to describe those functions that are essential to the performance of this job, and "other" duties and responsibilities include those that are considered incidental or secondary to the overall purpose of this job.

This job description does not state or imply that the above are the only duties and responsibilities assigned to this position. Employees holding this position will be required to perform any other job-related duties or tasks as requested by management. All requirements are subject to possible modification in order to reasonably accommodate individuals with disabilities

LaSalle County reserves the right to modify, interpret, or apply this job description in any way the County desires. This job description is not intended nor should be construed to be an exhaustive list of all responsibilities, tasks, skills, efforts, working conditions, or similar behaviors, attributes or requirements associated with this position. The aforementioned job requirements are subject to change to reasonably accommodate qualified individuals with a disability.

This job description is not an employment contract, implied or otherwise. Except as otherwise provided by a collective bargaining agreement or applicable law, all employees are at-will. This job description is not intended to void, replace, or conflict with negotiated union contracts. To the extent a collective bargaining agreement conflicts with this job description, the collective bargaining agreement shall supersede and/or modify this job description.

I have read, reviewed and agree that this job description accurately reflects the position.

ACKNOWLEDGEMENT

I have read or had explained the essential duties, responsibilities and minimum qualifications of this position for which I am expected to perform. I have reviewed the essential functions and work environment characteristics and I understand them completely.
