

Building Code and Inspection Service Feedback Form

LaSalle County would like any constructive feedback about its adopted building codes and Safebuilt contracted inspection services. Please fill out the form to submit feedback anonymously or you may provide your contact information if you would like a response.

Your feedback is important; as it allows us to improve our inspection services and also to know if the adopted building codes need to be amended.

Please provide constructive feedback or suggestions for Safebuilt Inspection services or LaSalle County adopted building codes:
